General Rules and Regulations

Show Purpose

The Wisconsin Restaurant Association Wisconsin Restaurant Expo is a trade show designed to provide a showcase and selling opportunity for goods and services, either specifically designed for or customarily used by the foodservice and lodging industries. The Wisconsin Restaurant Association (hereafter referred to as WRA) reserves the right to refuse rental of display space to any company whose display is not, in the opinion of WRA, likely to be compatible with the general character and objectives of the trade show. Whenever possible, space assignments will be made by the WRA according to exhibitor preferences. WRA, however, reserves the right to make final determination of all space assignments in the best interest of the trade show.

State and Local Codes

Exhibitors are responsible for all state and local codes. Each exhibitor is charged with the knowledge of all laws, ordinances, and regulations pertaining to health, fire prevention and public safety, while participating in this trade show.

Liability

WRA shall not be responsible for any loss, damage or injury that may occur to the exhibitor, or his employees or property from any cause whatever, prior, during, or subsequent to; or in connection with said trade show. Exhibitor will hold WRA harmless from all claims for damages or injuries to the building, booth equipment, other exhibits, guests, employees, members of the public, or other persons arising through the act of the exhibitor or the employees, sponsors, servants or guests, occurring during, prior or subsequent to or in said trade show and the approaches or entrances thereto, by virtue of exhibitor's occupancy. In the event the Exhibition Hall's premises, or any part thereof, is damaged by fire or if for any reason, including, but not limited to, strikes, lockouts, failure of utilities, acts or potential acts of terrorists or demonstrators, acts of war or God, order or directives of any governmental official, agency or authority, failure of Exhibition Hall to perform any obligation or duty to or for the benefit of Show Management or the occurrence of any other event or circumstance not within the reasonable control of Show Management which in the opinion of Show Management renders fulfillment of this Exhibit Contract by Show Management impossible, Exhibitor hereby expressly waives, releases and discharges Show Management and the owner or manager of the Exhibition Hall, and their agents, from any and all demands, claims, actions and cause of action, in law or in equity, arising from any such causes. It is required that exhibitors obtain insurance coverage, at their own expense, which is adequate for coverage of loss or damage to property and liability for personal injury.

All property of the exhibitor remains under his custody and control in transit to and from the exhibit hall and while it is in the confines of the exhibit hall. Neither WRA, its service contractors, the management of the exhibit hall nor any of the officers, directors, or staff members of the same are responsible for the safety of the property of the exhibitors from theft, damage, fire, accident, vandalism or any other cause, and the exhibitor expressly waives and releases any claim or demand he may have against any of them by reason of any damage to or loss of any property of the exhibitor.

General Rules and Regulations

The exhibitor further agrees that this is a lease of space only and an exhibit booth including 8' high back drape and 3' high side drapes and a 7" by 44" exhibitor identification sign. Exhibitor is responsible for acquiring any other exhibit space services or decorations at the exhibitors expense. This includes rental of furniture, decorations, equipment, drayage, electrical, gas, sewer, water, telephone, labor, or any other service or products used in connection with said exhibit.

Each exhibitor shall have regard for his fellow exhibitors and further shall be responsible for providing personnel and merchandise inside rented exhibit space throughout the entire show including all hours specifically designed for viewing of exhibits. Exhibitors shall abide by height regulations as outlined in the exhibitor prospectus. Any exhibit, sign, equipment or anything in the booth which extends past the height of the exhibit drapes on the sides or the back of the booth must be decorated or covered to the satisfaction of the WRA management.

All exhibits must remain intact and be staffed until the official closing of the Expo on Wednesday, March 23, 2011. Failure to do so may result in the loss of priority placement or the ability to exhibit in the 2012 Wisconsin Restaurant Expo.

Exhibitors will further refrain from causing any interference with other exhibitor's light or any other features or part of said exhibit space. Aisle space cannot be used by exhibitor employees, models, entertainers, robots or any other agents of exhibitors for exhibition purposes.

The use of helium balloons or any other articles which, when released may become caught or lodged on the show facility ceiling is prohibited. Exhibitors will not sublet, assign, or apportion the whole or any part of contracted exhibit space, nor permit the display therein of any part of contracted exhibit space, nor permit the display therein of any goods or services other than those offered by the exhibitor in the regular course of business, nor permit any person or organization not authorized by WRA as an exhibitor to display, solicit business, or take orders in its space without written permission from WRA show management. Any exhibitor knowing about or suspecting the presence of an unauthorized individual inside the trade show shall be obliged to inform WRA show management immediately.

No exhibitor shall sponsor, promote, or encourage hospitality suites or rooms used for conducting business during official show activities including all show hours, social events, educational seminars or any other WRA sponsored convention activity without prior permission from WRA.

Exhibitors shall abide by the noise regulations as outlined for the use of loudspeakers, microphones or any other device to amplify sound in their exhibit booth. If any food or drink samples are served in the exhibit space, the exhibitor responsible for said space shall furnish waste containers so that aisle space does not become cluttered with paper cups, spoons, toothpicks, and other refuse. Proper floor covering shall be provided by the exhibitor at the exhibitor's expense to protect the floor in exhibitor's booth from becoming soiled by any food or drink products served in said booth. Bags passed out shall be limited to a size of 14" x 16".

Any exhibitor of any beer, wine, liquor or any other alcoholic beverages must observe all rules, regulations and policies of the WRA show, facility management and any representative or other management agency which may be designated by said facility management to have jurisdiction, priority or permission to control the sale, dispensation, and/or exhibition of said beverages. Exhibitor assumes all responsibility for obtaining knowledge of all rules, regulations and policies and failure to observe said rules may result in expulsion from the show and forfeiture of any and all booth payments.

WRA Show Management

WRA reserves the right to dispose of any space which is not paid for in full, and to dispose of any space which is paid for, but not occupied at the start of the show. WRA may cancel the contract of any exhibitor in the event of any violation of the rules and regulations set forth in this contract, or upon violation of any other show rules which WRA shall establish and make known to the exhibitors regarding said show. All exhibit aisles remain under the jurisdiction of WRA and any exhibitor may be required by WRA show management to move out of the aisle at anytime during the show. WRA further reserves the right to add any rules, regulations, instructions or guidelines to become part of this contract upon informing exhibitors of said changes. All matters not covered in this contract shall be subject to the judgement of WRA management and any decision made by WRA management shall be final.

Jurisdiction and Venue

For any disputes arising under this contract, jurisdiction shall be in Wisconsin and venue shall be in Dane County.

No one under 16 shall be allowed in the convention.

All signed contracts, regardless of payment, accepted by the Wisconsin Restaurant Association are binding and must observe the reservation policy as outlined on side one of this exhibit contract.
